YOUTH SPRING RETREAT STUDENT LIFE CONFERENCE 2015

A weekend in God's Word looking to the life of Daniel for inspiration to not conform to the world and boldly walk as a devoted follower of Jesus.

Youth Spring Retreat is our in-town weekend retreat and annual discipleship environment for middle and high school students. It includes main sessions (with a guest speaker and band), in-home Bible studies led by young adults, recreation, parties and more!

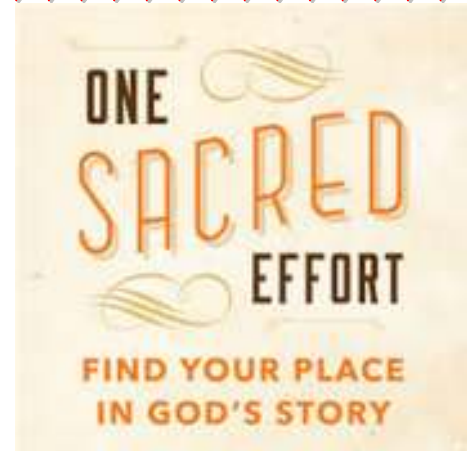

Each student will be staying in the home of a North Woods Baptist Church member with 10-15 of their friends and adult and young adult leaders. Students spend roughly 36 hours of being taught God's word in large group settings, learning in small groups, worshipping through song, and hanging out with their peers in a fun and positive environment. It's a focused time of spiritual growth and application.

Every year we see God do amazing things and see students step up their faith in Jesus Christ.

This year our theme is "STAND OUT", exploring how to not conform to the world and boldly walk as a devoted follower of Jesus.

We encourage you to do EVERYTHING you can to get your student to attend our Spring Retreat weekend!

Where Women Walk With God

"There is a time and season for everything," said the writer of Ecclesiastes. He must have been thinking of women when he wrote this, because our lives are always changing from one season to the next! Some of these seasons are full of daisies and roses... and others feel more like a mess of thorns and weeds. Garden Getaway teaches us about God's timing in our lives, and the good news that God is here to walk with us through every new phase of life!

Cost: \$65 per person
Location: to be determined

ARE YOU INTERESTED IN A FRUIT AND VEGETABLE CO-OP?

The Fruit and Vegetable Co-Op is a group of people who pool their time, resources and buying power together to purchase good quality fresh fruits and vegetables at a low cost. They purchase in bulk and save money. They also learn more about food nutrition and preparation from one another. Working cooperatively with each other and sharing the responsibility for the work involved helps build a stronger community.

We just completed our sixth year!
We are planning our schedule for the next quarter
and we have space available!

Please sign the sheet in the Welcome Area and Alisa Roop
will contact you with more information.

The future. It's a concept that occupies a lot of a teenager's mind. Where will I go to college? WILL I go to college? Whom will I marry? What career will I choose? And, so on. These are good, important questions. But, there's is a deeper way of thinking about our future, one that asks better questions. Jesus has plenty to say about the future. Come Wed. nights to find out!
