From the Pastor's Pen

Church Family,

I wanted to say one last thank you to you all.

The slideshow of the baptisms and photos through the years were a fresh reminder of how great the Lord has worked in our church family. The love offering you shared with us was such a sweet gift and will be put to good use.

I know that we have gotten to visit with many of you and others we just had time for a hug and word of thanks, but I hope you all know that you are a part of our story...our family...our hope. You have all been such a special blessing to us and to serve along side of you has been such a privilege. The investment that you have made in my life and in Christi, Ashley, and Connor will shape us in our life and ministry as we take our new post.

You are in my prayers! I know that the Lord has great plans for North Woods and He has placed you all here for such a time as this. I have always said that we have the best hearted "doers for Christ" around. I know that during this time there will be many opportunities to for you all to "do" the Lord's will. I have been smiling already hearing of the plans that are being made!

Thank you again for loving us and for letting us love you for so many years! What the Lord has begun, He will see through to completion!

In Him,
Pastor David

ARE YOU INTERESTED IN A FRUIT AND VEGETABLE CO-OP?

The Fruit and Vegetable Co-Op is a group of people who pool their time, resources and buying power together to purchase good quality fresh fruits and vegetables at a low cost. They purchase in bulk and save money. They also learn more about food nutrition and preparation from one another. Working cooperatively with each other and sharing the responsibility for the work involved helps build a stronger community.

We just completed our sixth year!
We are planning our schedule for the next quarter and we have space available!

Please sign the sheet in the Welcome Area and Alisa Roop will contact you with more information.

The future. It's a concept that occupies a lot of a teenager's mind. Where will I go to college? WILL I go to college? Whom will I marry? What career will I choose? And, so on. These are good, important questions. But, there's a deeper way of thinking about our future, one that asks better questions. Jesus has plenty to say about the future. Come Wed. nights to find out!
